

Announcement by the Ministry of Economic Affairs

Date: June 8, 2022

Document No.: Jin Mao 11104602411

Subject:

The title of CCC8501.53.91.00-4EX“AC motors, multi-phase, for motor vehicles with electric motors drive unit, of an output exceeding 75KW but not exceeding 375 KW” produced in mainland China for importation that is conditionally permitted, is amended to CCC8501.53.91.00-4EX“AC motors, multi-phase, for motor vehicles with electric motors drive unit (other than transport of ten or more persons), with an output exceeding 75KW but not exceeding 375 KW,” effective June 8, 2022.

Legal Basis:

Article 7.1.1 of the “Regulations Governing Permission of Trade between the Taiwan Area and the Mainland Area”.

Supplementary Information:

1. “The transport of ten or more persons” via “AC motors, multi-phase, for motor vehicles with electric motors drive unit, of an output exceeding 75KW but not exceeding 375 KW” produced in mainland China for importation has been prohibited as announced by Document No.: Jin Mao 11104602410 of the Ministry of Economic Affairs because it

does not comply with the provision of Article 8.1.2 of the "Regulations Governing Permission of Trade between the Taiwan Area and the Mainland Area". Therefore the title of CCC8501.53.91.00-4EX shall amended to “AC motors, multi-phase, for motor vehicles with electric motors drive unit (other than transport of ten or more persons), with an output exceeding 75KW but not exceeding 375 KW”.

2. Details of the amended title of mainland China product for importation that is conditionally permitted is attached.
